

Wash Goods Specials

Just a word relative to these goods! Every piece was selected at the beginning of the season when the lines shown were the most complete at any time during the season. We selected these thinking they were the prettiest patterns and weaves and best values of all the large number it was our pleasure to see. These are what we are showing you at such savings today.

- 25c and 39c Cotton Voils and Embroidered Mulls** - 19c
The Voils are a fabric imitating an expensive imported cloth and come in checks, stripes and figured designs. The Mulls are a sheer fabric, with embroidered dots.
- 29c Printed French Swisses and Fancy Stripes** - 21c
Probably no fabric shown this season has more style than do these Swisses and Stripes.
- 50c Silk Muslins** - 25c
A glance at these will show the care with which they were selected, beautiful patterns every one.
- 18c and 25c Leno Stripes and Embroidered Voils** - 15c
Not very large pieces of any of them but a splendid assortment at a little price.

Wash Goods selling is lively these days owing to the bargain stimulus—don't wait, the assortments are growing less every day.

THE BEST SUITS IN AMERICA FOR \$15.00.

We are willing to be judged by our \$15.00 Suits. In the first place they are equal to the usual \$18.00 and \$20.00 Suits sold elsewhere. That's a saving to begin with. Then they are "Rosman Clothes" and that speaks volumes for their style, materials and workmanship. That's the whole thing in a nutshell. But another point is that there are hundreds of good dressers in town who think they are the best ever; and we want a lot more to try them who think that \$15.00 ought to buy a rattling good Suit. Better try one. A new lot of patterns just in from the "Rosman" workshop. Call and see them. There are some elegant brown styles among them.
